

Year One Homework

October Half Term

*It's important to keep up all the skills
you have learned so far.*

Maths

- Practise your number bonds to 10.
- Practise your doubles to 10.
- Practise counting in multiples of ten.

English

- Read as much as you can - remember to answer questions about the books.
School books, library books or Bug club books.
- Practise your spellings.
- Write some sentences in your Super Sentences book.
Can you include an **adjective** in each one?
- Practise reading and writing the phonics sounds we have covered so far. (See over)

Have a fun and restful week!

The Year One Team
