

WILLIAM RANSOM  
PRIMARY SCHOOL

WEEK ENDING 15/10/21

## RECEPTION NEWSLETTER

### PHONICS:

The children will learn the next set of sounds which are: CK, E, U, R

### MATHS:

We will be comparing amounts and using the language more, fewer and the same.

### LITERACY:

Next week we will be using story maps and stepping stories as a way of retelling them and using the word 'because'.

The children have had a fantastic week and are now experts in 1, 2 and 3. We've talked a lot about what the numbers look like and the way they are written and how the children are able or learning to be able to subitise.

As well as exploring Handa's Surprise we've looked at some of the other wonderful books written by Eileen Browne.

After half term your child will continue to receive 2 Bug Club books and phonics games and they will also receive 1 physical book a week to begin with (different colour groups will have them sent home on different days).

Homework will begin to be set after half term also. In the meantime please continue to access Bug Club daily and you can also practise making sets of 1, 2, 3 and writing the numerals.

A PowerPoint in place of the Information Evening will be sent home by Friday 22<sup>nd</sup> October.

We look forward to speaking with you all next week during Parents Evening!

Happy Weekend!  
The Reception Team

### WISH LIST

- Please continue to send any unwanted wellies in for our Nature Area

### REMINDERS

- Parents Evening is on Wednesday and Thursday next week
- Next week is the last week of school before the half term break

We would like to wish anyone at home a very happy birthday if you have one next week!
